'Teozay'

Why Tio Zé?

Tio Zé is the original Piri Piri Sauce, crafted from fresh and only quality ingredients. Tio Zé Piri Piri prides itself on flavour and not on busting the Scoville(Chili Richter) scale. First the flavour hits, followed by a slow satisfying burn which tapers off allowing the taste to linger on.

Tio Zé Piri Piri products do NOT contain added sugar, high sodium levels, artificial preservatives, flavouring, colourants, emulsifiers, stabilisers and other additives often found in commercially prepared food products. Freshly squeezed lemon juice, peeled garlic cloves and chopped chilis are never substituted with pre-prepared "convenience" products such as bottled lemon juice and crushed garlic in jar. Nor are inexpensive ingredients and fillers such as vinegar and water ever used in place of the real thing.

The preparation of and bottling method of Tio Zé Piri Piri ensures an extended shelf life which is remarkable for products that do not contain any preservatives whatsoever.

Our production facility is in Port Elizabeth, South Africa, where Tio Zé products are produced according to strict standards and specification making sure their freshness and integrity are never compromised.

PRODUCT RANGE:
Piri Piri Sauce - Mild
Piri Piri Sauce - Hot
Piri Piri Oil (NEW)

No added sugar, low sodium.
Gluten Free, Vegan, Paleo and Banting friendly
